

**THANK YOU FOR PURCHASING
ERICA SYNTHS BLACK SERIES
MODULE!**

Erica Black Series include high-end, unique functionality and superior quality modules. Only the best, highest quality components are used, all inputs and outputs are protected against undesired overvoltage. When designing Black Series, we put design and usability superior. Big knobs are assigned to key functions of the module, which makes Black Series ideal for live performances. Enjoy!

Erica Synths Black Mixer is compact, high quality audio mixer with bonus feature – three buffered outputs. This allows you to send signals to several signal processing devices simultaneously, for example, split the output signal to LP and HP VCFs and create advanced bandpass and notch filters.

FEATURES:

- 3 AC coupled inputs
- 3 buffered outputs
- Input and output protection
- Protection against reverse PSU connection

TECHNICAL SPECIFICATIONS:

- Max input level..... -10V – +10V
- Mixer gain..... 1
- Power consumption +8mA, -8mA
- Module width 6HP
- Module depth 25mm

Apply audio signals here!
Inputs are AC coupled.

High quality audio potentiometers adjust signal levels.

These are independent, buffered outputs.

SAFETY INSTRUCTIONS

Please follow the instructions for use of this Erica Synths module below, 'cause only this will guarantee proper operation of the module and ensure warranty from Erica Synths.

Water is lethal for most of the electric devices, unless they are made waterproof. Erica Synths module is NOT intended for use in a humid or wet environment. No liquids or other conducting substances must get into the module. Should this happen, the module should be disconnected from mains power immediately, dried, examined and cleaned by a qualified technician.

Do not expose the module to temperatures above +50°C or below -20°C.

Transport the instrument with modules installed carefully, never let it drop or fall over. Warranty does not apply to modules with visual damages.

The module has to be shipped in the original packaging only. Any module shipped to us for return, exchange and/or warranty repair has to be in its original packaging. All other deliveries will be rejected and returned to you. Make sure you keep the original packaging and technical documentation.

You will find Erica Synths terms of warranty at <http://ericasyths.lv/en/terms/>

Items for return, exchange and/or warranty repair have to be sent to: Erica Synths, Andrejostas Str.12, Riga, Latvia, LV-1045

DISPOSAL

This device complies to the EU guidelines and is manufactured RoHS conforming without use of led, mercury, cadmium and chrome. Nevertheless, this device is special waste and disposal in household waste is not recommended.

Designed and made in Latvia.
User manual by Girts Ozolins@Erica Synths.
Design by Baiba Stelle.
Copying, distribution or any commercial use in any way is prohibited and needs the written permission by Erica Synths.
Specifications are subject to change without notice.
